

Griggs County Sends 273 Men.

The Local Board has been making final reports of its transactions during its existence and an interesting item is that of the number of men furnished. The final figures are:

Men inducted in 1917.	39
Men inducted in 1918.	211
Men who enlisted independently of the board.	23

Total. 273

This of course does not include those who enlisted prior to the first registration or those under 21 years of age who enlisted prior to their registration, which would probably add 15 or 20 more to the total.
