

# GRIGGS COUNTY WILL FILL QUOTA

**Plans Have Been Completed For  
Drive in Griggs County—Allot-  
ment is Trebled.**

September 28 will be a Red Letter Day in Griggs County.

It's the opening day of the Fourth Liberty Loan Drive.

Grigg's County's quota will be about \$335,000.

More than double our quota in the Third Loan.

We'll have to take more bonds of this issue than we did of any previous issue.

We'll do it.

Griggs County always does.

The personal solicitation plan will again be used in Griggs county, but you can save the chairmen of the various districts, much time and traveling if you will call on the chairmen for your township, village or city and voluntarily subscribe your quota any time before September 27.

Early Saturday morning, September 28, the solicitors will go forth, and they want to wind the drive up in Griggs county the first day.

It can be done.

You can help.

Below we give a list of the members of the Executive Committee and the County Chairmen. Call upon the chairman of your district and ask about your quota.

Then subscribe for the full amount.
