More Than the \$335,000 That Has
Been Assigned to Us.

GRIGGS COUNTY CAN EARN
RIGHT TO NAME WARSHIP

Chairman Greenland Makes Public Plan by Which Our County
Will Have Opportunity to Name Warship or Tank—
Let's Make It 100 Per Cent.

Minneapolis, Minn., Sept. 19, 1918

Oscar Greenland,
Binford, N. D.

We have just received a telegram from Washington granting the Ninth Federal Reserve District the privilege of naming four War Ships and Ten Tanks and we have decided that four ships shall be named after the four counties having the four largest percentages of distribution of Fourth Liberty Loan Bonds and that the ten tanks shall be named after the ten counties having the next ten largest percentage of distribution of Fourth Liberty Loan Bonds. Above award to be made on estimated population figures now on file in this office. This award is independent and apart from the opportunity just offered your state to have ship named her, the details of which your state chairman will inform you immediately. Here is a chance for the people of your county to see their ship possibly sinking a sub or their tank going thru the Hun lines. Get busy and secure this prize.

ROGERS
Ninth District Chairman.
