

Griggs County Service Men Will be Honor Guests at Big Demonstration at Red Willow Lake Tomorrow.

...vantage of the service offered.
 Manager Christianson stated on Monday, that much interest is already manifest in the new corporation and that farmers and business men alike, in this and adjoining counties, have signified their intention of purchasing liberal blocks of stock.

The formation of the company, is as yet in the preliminary stage, and while it is impossible at this time to state definitely the territory which will be served, the above outlines the tentative plan.

The main office and headquarters of the corporation, will be in Cooperstown, and anyone wishing a block of stock held for them, or wishing to discuss the matter personally with Mr. Christianson, may call on him at his office in this city.

Farmers, Take Notice

Look over your binder before you are ready to use it and make a list of extras that you will need. Get them early to avoid any possible delay in the midst of harvest season.—Hammer Thingelsted Co.

County Commissioners' Resolution

In order that all may participate in the Home Coming Celebration to be held at Red Willow lake in honor of the men who have been in the service of the United States, the Board of County Commissioners of Griggs County hereby declare that

Friday, July 18

be set aside as a holiday, and implore all business houses of every nature to close up for that day, so that every one can join in the festivities and properly observe the occasion in a fitting manner.

By Order of the County Commissioners.

P. A. Melgard,
 County Auditor.

The welcome which the people of Griggs county will extend to its returned soldiers, sailors and marines, tomorrow (Friday) at Red Willow lake, will no doubt be the greatest demonstration ever held in this section of the state. The committees in charge are going to spare no pains to make this gathering a notable one in the history of Griggs county. There will be something doing all day and it is desired that all service men be there in uniform.

The celebration will mean a county-wide holiday, and every business house in every town will be expected to close up tight on that day and attend the celebration.

Everything on the grounds will be free to the soldiers, and arrangements are being made to give them a feed at the noon hour, or thereabouts. The feed will probably be under the direction of the ladies of the various Red Cross branches of the county.

Those who attend the celebration, however, should take their own lunch, as the feed is intended for soldiers and their wives and sweethearts only.

There will be no profit sharing schemes on the grounds, and all the money taken in by the committee will be used to defray the expenses of the celebration.

Autos will be tagged as they come onto the grounds and the driver of each will be taxed one dollar. This means one dollar for each auto, not

one dollar for each person in the car.

A good speaker of state-wide prominence will be secured, who will give an address in the afternoon and there will be a ball game between Cooperstown and Binford.

A monster bowery will be erected and in the evening everybody can dance to their heart's content.

There will be a band composed of the best musicians of the county and they will make music all the day.

Stands will be erected on the grounds at which soft drinks, ice cream, etc., may be secured. Remember, everything free to the soldiers—all others pay cash.

The money taken in will be spent on the grounds for the entertainment of the soldiers and the crowd.

A big feature of the evening's entertainment will be a \$500 display of fireworks. Ben Killoran is in charge of the fireworks committee, and as he has had much experience, will set off the display to the satisfaction of all.

This is Griggs county's opportunity to show their appreciation for the efforts the soldiers, sailors and marines of the county have expended and it is a chance for Griggs county to again prove a hospitable host.

Let every business place and household in the county close up for the day and then take part in the mammoth celebration—Griggs County's Home Coming Day—Friday, July 18th.

Let's go.

...centrated in the hands of one official paper selected by the county commissioners at the beginning of the year under the old law, it can collect the usual rates for such service until the term covered by appointment expires.

It is anticipated that the attorney general's ruling will be found applicable also to official city newspapers which have been designated by the municipal commission or council for a period of a year. In a majority of cases the official newspaper is elected at the first meeting following the reorganization of the city commission or council and under the attorney general's ruling the league would not be in position to make its organs official city newspapers until next June. The Brinton bill requires municipalities to publish all proceedings in the official county newspaper providing such newspaper is published within the municipality. But the city newspapers having been selected in the same manner as the official county newspapers, have the same form of contract and it is believed that under the opinion of the attorney general this contract will be held inviolable.

The new state printing and publication commission will meet and organize immediately after July 26, when senate bill 157 becomes effective. It is reported at the capitol that John N. Hagen, commissioner of agriculture and labor, is a candidate for the presidency of the board. Its other members are S. J. Aandahl, chairman of the state railway commission, and Secretary of State Hall.

Something About The Women.

There are women who are comely, there are women who are homely, but be careful how the latter words you say. There are women who are healthy, there are women who are wealthy, there are women who will always have their way. There are women who are truthful, there are women who are youthful—was there ever any woman who was old? There are women who are sainted, there are women who are painted, there are women who are worth their weight in gold. There are women who are slender, there are women who are large and fat and red. There are women who are married, there are women who have tarried, there
