

more particulars later.

Another pleasant social event of the season took place last Saturday evening, at the farm home of Mr. and Mrs. M. Grigsby, west of town. Several sleighloads of people, young and old, from Binford and McHenry together with the neighbors, invaded their home armed with well filled baskets and good cheer to surprise Edgar Grigsby, who recently returned from camp. Dancing and cards constituted the evenings program, which didn't break up until the wee sma' hours. Those present report a very good time.
