

ness houses.

standing out prominently among the many attractive and enjoyable social functions, which have been given in Binford, is the party given last Friday evening by Mr. and Mrs. Milton Grigsby, in honor of their sons', Frank's and Gilbert's birthdays. The affair was held in the lodge rooms, and young people from far and near attended, numbering about 80. The guests were asked to come dressed in children's attire and to bring along their own toys. The fore part of the evening was devoted to "playing with toys" after which dancing was indulged in. At midnight a splendid supper was served by Mrs. Grigsby. In all it was a pleasant and delightful gathering, and one long to be remembered by those who were fortunate enough to be present.
