

leased.

Valley City Times-Record: H. H. Helland arrived in the city from Glendive, Montana, last night and this morning went to Cooperstown. Mr. Helland moved from Griggs county to Montana several years ago to try his hand at farming. He has had tough luck on account of the dry times and has sold out his personal property and is moving back to Griggs county to resume farming up there again. Mr. Helland is one of the early settlers of that region and has been successful as a farmer and a stock raiser.
