

Sentinel-Courier: Sgt. Milton T. Houghton, son of Mr. and Mrs. Chas. Houghton, arrived home Sunday morning and will remain until tomorrow, on a furlough from his army duties. Sgt. Houghton has been connected with the 206th Aero Squadron, at Dayton, Ohio, for the past ten months, but has applied for a transfer to the infantry, feeling that as an infantryman his chances of getting overseas are better. He will return to Chicago from here where he will be commissioned Lieutenant and assigned to duty at Camp Grant, Ill. While here he paid a visit to the print shop and related several interesting anecdotes of army life, of which he is very fond. His joy will be complete as soon as he gets started on his way to France.
