Some Close Races

An Englishman, Scotchman, and Irishman were indulging in reminiscences of sporting occasions.

"The closest race I ever saw was a yacht race," deposed the Englishman, "in which one of the boats that had been recently painted won by the breadth of a coat of paint."

"The closest race I ever saw," declared the Scotchman, "was a horse stung by a bee, won by the width of the swelling on his nose."

"The closest race I ever saw" said the Irishman, "is the Scotch."
