

LANGER SPEAKS AT FLUTO GROVE

**WM. LANGER, FIGHTING PARSON
AND OTHER SPEAKERS WILL
BE THERE—TWO BANDS**

The farmers who live along the Sheyenne river have concluded to hold a mammoth picnic this year and they have set the day for June 24. It is expected that fully four thousand people will enjoy this day of outing on the banks of the river in the shade of the trees. They will go there for a two fold purpose, one to get a line on the doings over the state that will be told by the speakers, and to meet all of their old friends and neighbors.

Bill Langer has promised them he would be there and speak at one o'clock in the afternoon. The Fighting Parson will also be on hand. The Finley Cornet band and the splendid band from Blabon will furnish the music.

There will be a regular program and on the grounds will be found stands to furnish refreshments for the visitors. It is planned by the committees both from Griggs and Steele counties to make this day one of the biggest ever known in the history of the two counties.

In going into this undertaking the farmers find that there is no lack of enthusiasm, everybody seems ready to help put it over, and we can rest assured that whenever they set their heads to getting up an affair of this kind it can be said that it will be a success.
