

Alexandria (Minn.) Post News:
The following comment is taken from the notes of the Musical Arts Club of Little Falls, in reference to the appearance of Hillard and Theos Langlie there last Wednesday evening: "The distinguishing feature of this program was the excellent music rendered by the young men of Alexandria, Hillard R. Langlie, violinist, and Theos Langlie, pianist. They showed an understanding and depth of feeling that appealed to and captured their audience at once. Their interpretation of their selections had an artistic skill and finish rarely found in so young musicians."
