

to grow in the future.

School commenced Monday with a large attendance. The teachers arrived Saturday and Sunday to take charge of the work, and we have the assurance of a successful school year. Miss Margeret Shelp, of Rhinelander, Wisconsin, was re-hired as principal. Miss Grace Lannon, of Valley City, is in charge of the grammar department, and will assist with two high school subjects. Miss Nera Bjerke comes from Fargo, and is teaching the intermediate grades. Miss Rinde is the primary teacher. The new teachers come very highly recommended.
