Sutton Reporter: Tuesday night a warrant was served on Hilding Miller by Sheriff Nelson of Coopers-town, charging him with having whiskey in his possession and for sale. He was taken to Valley City, where a hearing was held Thursday and a fine of \$200.00 and a four months' jail sentence imposed. Miller, it is stated, was receiving the booze from "Jimmy" Jones of Juanita, who was arrested at the border a few days ago on a charge of booze running.
