

A nicely planned and well executed surprise was given Mrs. John Norman, Monday afternoon, by the ladies of the Red Cross, who asked her to come up and help them finish some work for the chapter. When she arrived at the hall a party was in full swing, and she was welcomed by cries of "surprise." A long table, prettily decorated with roses, was all set and ready for the spread, with all kinds of good things to eat. Mrs. Buchheit, in behalf of the party, presented the honor guest with \$25 in gold coins, as a token of the esteem in which she is held, and an appreciation of the untiring work she has done for the Red Cross. Mrs. Norman will leave this month for Valley City, where the family will reside.
