

Pekin News.

The N. D. State Band will go to Binford, Thursday evening, May 16, to give a concert similar to the one given here this spring. The first part of the program will be by the band and the last half by the orchestra. The program given this spring was declared the best ever and this promises to be, if anything, a little better.

Martin Rood and the two boys autoed up from Cooperstown last Saturday returning Sunday afternoon. Mr. Rood was looking after some small business matters here. He informed us that he had purchased a share in a store business at Sutton, and would move his family there as soon as a residence can be procured.

Oscar Stromme autoed to Lakota last Saturday returning in the evening accompanied by Misses Petra Moen, Ida Stromme and Mabel Know. Miss Stromme returned from Fargo where she has been attending the D. B. C. and will remain home a couple weeks. Misses Know and Moen returned to Lakota Sunday evening in spite of the awful wind storm. But Oscar can get through even if it does blow. Pekin Budget.
