

BERG RETIRES FROM NATIONAL

**Stock in Bank is Bought by Oscar

Associates.**

A transaction of importance was made this week when Lewis Berg, of Cooperstown, retires from the directory of the First National bank, his interests in the institution being acquired by Oscar Greenland and Otto Pritz and their associates.

Mr. Berg was one of the charter organizers of the First National in 1906 and up until a few years ago was its president. He owned a large block of the stock, and has taken an active part in its management.

A new director will be elected to fill the vacancy caused by Mr. Berg's retirement at the annual meeting next Tuesday.
