**PASSENGER LAUNCH WILL BE
PUT ONTO RED WILLOW
IN A FEW DAYS**

General Manager F. G. Lewis, accompanied by H. A. Brown and Howard Lewis, returned yesterday from Big Stone lake, at Ortonville, Minnesota where he arranged for the purchase of a 20-passenger launch for Red Willow lake. The boat is a good one and well equipped, and will probably be loaded on the cars at Ortonville, so that it will reach here in a few days.
