CLIFFORD BOOSTERS TO BRING BAND AND BALL TEAM TO WILLOW LAKE SUNDAY

An unusual attraction will come to Red Willow lake next Sunday.

The boosters of Clifford, in Trail county have arranged for a "get-acquainted" tour of this section of the state and their schedule calls for a day's stop at Red Willow lake. They are bringing a 35-piece band and a base ball team.

The band will give a concert during their stay and the Clifford and Mayville teams will play a game of base ball. No admission will be charged.

Sunday will be a big day at the lake, and it is expected that the largest crowd of the season will attend.
