

# **BRYAN TO SPEAK AT RED WILLOW**

**SILVER TONGUED ORATOR WILL  
BE BIG ATTRACTION AT  
LAKE RESORT.**

General Manager Lewis of the Red Willow Lake Park association, has booked W. J. Bryan to speak at Red Willow lake on Saturday evening, June 19.

According to Mr. Lewis, this is only a forerunner of other big attractions which are to follow. It is altogether too early to make any definite announcements, but every effort is being spent to secure some talent which will be of high class caliber. This may prove a difficult thing to do on account of the chautauqua companies having already completed their bookings.

It is planned to make a genuine opening celebration at Red Willow on the day Bryan speaks. Further particulars regarding this will be made public as soon as the plans are completed.

Mark the date on the calendar—
