

Sutton Reporter: Friends of Miss Elma Soli gave her a farewell surprise Saturday afternoon at Adolph Kjelson's. As a token of esteem the ladies presented her with a traveling bag. This week she and her uncle, S. C. Swenson, left for River Falls, Wisconsin, the former to remain for the present at her home, and the latter to visit during the winter with friends and relatives. Both of these people have lots of friends around here who will miss them very much in the future.
