

JESSIE BANK IS IN NEW HANDS

CASHIER H. ST. JOHN DISPOSES
OF HIS INTERESTS TO
CALIO MAN

The Times' Jessie correspondent sends the following item among its news, which we are taking the liberty to appropriate for our front page.

Last week Harry St. John sold his residence and bank stock to J. Egermon of Calio, N. D. The St. John's have lived in Jessie fourteen years, and it is with much regret their many friends regard their departure. They expect to leave Jessie about Sept. 1st and will remain in Coopers-town for a time, as future plans are indefinite. We wish them happiness and prosperity wherever they make their future home. Mr. Egermon will assume the duties of bank cashier in a few weeks.
