

The County Seat Vote.

That the County Seat question was a live issue, was evidenced by interest taken in the question by the Voters of Steele County at yesterday's election. A record vote was cast of which Finley received 916, Hope 742, Sherbrooke 413, which makes Finley and Hope the candidates at the fall election and that Steele County will have the County Seat on the railroad is now an assured fact.

Finley, and Finley Village proved 100 per cent loyal to their home town, while all surrounding townships also gave solid vote for our city showing the wonderful growth and development of the north years, and half of the county in the past few that the farmers of the county desired a change of location is surely evidenced by the large vote cast throughout the entire county.—Finley Beacon.
