

William Davidson, of Cooperstown, died at a Fargo hospital, yesterday forenoon at 11:30 o'clock. Mr. Davidson was taken suddenly ill about two weeks ago and was rushed to Fargo for treatment. An operation for appendicitis was performed on Tuesday of last week which apparently was successful until he was seized with spells of hiccoughs. This, added to the seriousness of his operation, caused other complications to set in, resulting in death. Mr. Davidson was 55 years of age. He is a brother of Mrs. H. J. Maurer of Binford. The remains will be shipped to Cooperstown today, where funeral services will be held tomorrow forenoon, and then brought to Binford for interment.
