A gruesome tragedy occurred at Sutton, Tuesday afternoon, when the two small children and the home of Mr. and Mrs. Henry Gunderson were consumed by flames. Mrs. Gunderson had lighted the gasoline stove, and then went to a neighbor's house to get some cream, leaving the babies in the house. When she returned the house was on fire, caused presumably from an explosion of the stove. The house was a small one-room structure which burned so rapidly that it was impossible to save the children. Funeral services were held yesterday afternoon.
