

## JOHANNES HANSON DEAD

Pekin Budget: Johannes Hanson, resident of Bergen township, died Saturday morning, January 6, of a stomach trouble from which he has been ill for some time. He was making his home with his son, Albert Hanson, where he died. Funeral was held Thursday, interment being made in the Sheyenne cemetery. It was necessary to delay the funeral in order to give his sons, Ole and Anton, time to arrive.

The deceased was wellknown to most of our readers, and was always light-hearted, jolly and happy, and spreading sunshine where he went. He would have become 75 years of age in April. He is survived by his six sons, Ole J., of Arletta, Wash.; Anton, of Swift Current, Canada; Hans, Oscar, John and Albert, all of Bergen township, all of whom were present at the funeral to tender their last services to the weary and worn out body.
