The sad news of the death of Florence Ringlee, younger daughter of Mr. and Mrs. Albert Ringlee of Sacramento, California, reached Binford yesterday and came as a great shock to the community. Florence was six years old on May 26th last. She was born in Binford and moved to California with her parents last spring. According to a letter received some days ago by Mrs. L. P. Larson, both Florence and her sister, Geraldine, had been ill with tonsillitis, but the telegram stated that she died from diphtheria. This is indeed a sad loss to the family, and we, with others here, extend to them our heartfelt sympathy
