

The members of the local Sons of Norway lodge gathered in the lodge rooms Monday evening and gave Mr. and Mrs. August Amundson a pleasant surprise in the nature of a farewell party. The esteemed honor guests were presented with a beautiful set of silver ware as a parting gift from their Binford friends. Henry Peterson made the presentation speech, to which L. P. Larson responded in behalf of the recipients. An interesting program and a hearty lunch filled the hours until a late hour.
