
BARKEE GETS PRIZE

Leavenworth (Wash.) Echo: At a meeting of the Peshastin Fruit Growers association, held last week, the matter as to whom had made the best record on apples shipped through the association the past year was settled, figures on all grades and varieties with the prices for which sold entitling F. L. Barkee to the first prize for putting the best fruit through the warehouse. This is quite a boost for Mr. Barkee, who just began apple growing two and a half years ago.

The Leavenworth State Bank has offered a prize for the Skookum grower who receives the best average cash returns for his 1921 crop.
