

Appropriate Program Tomorrow

All Business Houses Will Close During the Forenoon Exercises

No public holiday so stirs the emotional life of the people as does Memorial Day. Originally conceived as a day on which the graves of soldiers and sailors of the Civil War were decorated, it is now a day when we honor, with floral tributes, the final resting places of the heroes of all our Nation's wars, and also

the civilian dead.

Memorial Day exercises will be conducted by the American Legion Post, and an interesting program is to be rendered in the opera house Friday morning at 9:00 o'clock.

All members of local fraternal orders, all school children, and each and every citizen, are asked to at-

tend these exercises. Let us do honor to all Civil, Spanish-American, and World War veterans who have made the supreme sacrifice.
