

precise his efforts.

Manager Larson, of the base ball club, is preparing to have the opening game of the season on May 17, with a team from one of the neighboring towns, probably Sutton. Besides the baseball game, it is planned to give a dance, and possibly some other attractions. Complete particulars will be given later. Mr. Larson also announces that he has received word from Frank Besse, one of last season's pitchers, signifying his wishes to return. An offer has been sent him and it is likely that he will accept. With Kingsley and Besse on our pitching staff, Binford will be well fortified in this department.
