
New Suits Will Be Tan and Blue

New colors for the Binford baseball uniforms will be tan with navy blue trimmings. These colors were selected after looking over a variety of samples from several companies.

Eleven complete uniforms have been ordered from the Royal Tailors thru the company's local representative, Tailor P. A. Overby. Because of Mr. Overby's generosity in not charging a profit it was possible to select the best grade of material. Advice from the company states that the uniforms will be shipped in less than three weeks.

The old grey suits have seen service for the past ten years and could be worn for another season were it not that the boys feel that they are entitled to "dress up" for a change.

The new uniform will be a pretty one. The name "Binford" adorns the shirt in blue letters and there will be a blue band around the sleeve. The pants are plain except for a blue cord in the seam. The stockings are blue with tan stripes, blue belt, tan cap with blue cord trimmings and visor.
