

# Game Is Scheduled to Commence at 3:00 O'clock--Two Shows of "Daddy Long Legs" and Dance Will Make Interesting Day's Program.

Next Tuesday, Sytende Mat, marks the opening date for the Binford base ball team, and Manager Larson has secured the Sutton team to assist the local boys in prying off the lid.

Judging from past performances, the fans can expect a hard fought battle, even though it be the first game of the season. With a few exceptions, Binford will present the same line-up as last season. Several new men will appear on the Sutton team, but it is reported that they will be no weaker than in former years.

Intense rivalry exists between these two teams and each is determined to win the opener. Binford won all but one of the series of games with Sutton last year, and word comes from there that they expect to reverse the scores in a greater number this season, commencing with the game next Tuesday. However, Binford takes a different view of the matter. They propose to improve their winning percentage of 1926, and that means a clean sweep of the Sutton series. Advance claims do not win ball games. The best kind of dope is sometimes upset, but, at any rate, Tuesday's exhibition pro-

mises to be worth the money, and some to spare.

Manager Larson has not announced who will pitch the game for the local club. Both Kingley and Besse are in shape to go the route and it remains just a matter of a flip of a coin to make the selection.

Sutton has Meinke and a battery from the twin cities. Meinke has been working out in the south and should be in good condition. The new battery is said to be fast enough for this company.

The opera house management is co-operating with the ball team to make Tuesday's event a real one. They have booked Mary Pickford in "Daddy Long Legs," for the 16th and 17th of May. Two performances will be given on the 17th, at 6:30 and 8 o'clock. In order to allow for an early supper the base ball game will be called at 3:00 o'clock sharp, to accommodate those who wish to attend the first show.

Immediately after the movies a big dance will be given for the benefit of the base ball team.

Mark your calendar for the 17th. Make it a holiday and be on hand early to get a good parking position for your car.
