

# BINFORD TAKES VICTORY FROM ANETA-SHARON

THE EXHIBITION AT RED WILLOW LAKE PARK GROUNDS ON SUNDAY IS WON BY BINFORD TEAM—SCORE 1-0.

The ball game played as one of the attractions at Red Willow lake last Sunday, between Binford and Aneta-Sharon, was as good an exhibition as has been played with these two teams during the regular playing schedule, Binford annexing the only run of the contest in the eighth inning on an error by the A-S first baseman.

The contest developed into a pitching duel between Kingsley and Reep, with the former having the best of the argument. Kingsley allowed six hits, three of which were on the scratchy order, and whiffed eleven. Hafner and Ehlers are credited with the three hits secured by the Binford team, all of them going for two bases and only the slow ground prevented them going for three bases and possibly home runs. Hafner's second double paved the way for Binford's victory. With one down in the eighth, the hit over center. Kingsley, next was out Reep to Olson. Ehlers went to Jenson, on third, and in the attempt to retire the runner, Olson dropped the ball, Hafner scoring.
