

CAMPING

About 30 of the Boy Scouts will assemble at the school house Saturday morning at 9 o'clock and hike to the lake where they will camp until June 10th.

Each patrol will furnish its own food and bedding and have its own "chow." Chefs, dishwashers bugler, etc., have been appointed for a week and we are planning on a gay week. Hannaford will be up on Tuesday to spend the day with us and also play a game of ball. We understand also that there will be at least two other troops of scouts there and also outside troops of Camp Fire Girls.

Cottages and tents have been donated by Alfson, Shaw and Thorn, while Floyd King will haul out our "stuff."

We have arranged with Buchheit-Bakken Co. to store supplies there, and all people coming out for a visit are kindly asked to call there before coming to see if there is anything to bring out.

We invite the people of Binford to come out and visit us. Don't just read this but really come.
