

Three Binford business houses were the victims of thieves last Saturday night. At the meat market the looters secured \$1.75; the drug store lost \$10.00, and the Thompson Yards \$17.00. At the latter place some damage was done to the door leading from the basement, and the cash drawer slightly damaged. The culprits also attempted to drill thru the inner door of the safe. This proved unsuccessful but enough damage was done so that Mr. Osen was obliged to break the lock in order to open the door. No doubt the deeds were the work of neivices.
