

# Father and Son Banquet Success

The "Father and Son" banquet last Friday evening, under the auspices of the Boy Scouts and I. O. O. F. lodge, proved to be a most enjoyable event. It was the first of its kind ever held here and the splendid success achieved certainly means that it will become an annual gathering. It proved a revelation in many respects. Except to a certain degree, apparently little thought is given to the boy by his elders. In too many cases no interest is taken in his affairs outside of his home life and it often happens that much latent ability remains undeveloped because of this indifference. This was strikingly shown at the Friday night banquet, when an orchestra composed of five Boy Scouts furnished music for the occasion. Outside of a very few, no one knew of the existence of this musical organization, and it proved a real surprise. That part of the program furnished by the Boy Scouts wherein their various degrees were exemplified also proved an eye-opener. A number of the older folks on the program responded with short talks which were highly entertaining. Last but not least, everyone most heartily enjoyed the many good things to eat that were served. The Camp Fire Girls assisted in the serving.
