

There has just been a change in the time of the passenger train on the Branch, and all patrons should remember the change, and be on hand at the depot almost an hour earlier to make the south-bound trip. The north-bound train runs on the same schedule as formerly. Branch train No. 141 now leaves Valley City at 10:15 a. m. and arrives in Binford at 1:06 p. m. Train No. 142 now leaves McHenry at 2:45 p. m., arrives in Binford at 3:16, and at Valley City at 6:10 p. m. The only change affecting Binford is the change in the time of the train going south, from 4:06 to 3:16—almost an hour earlier.
