

ALUMNI ENJOY FINE BANQUET TUESDAY EVE

The third annual banquet of the Binford Alumni association was held at the restaurant, at seven o'clock, June 12th. The dining room was decorated with yellow and white streamers, and the lights were dimmed by yellow shades. The table was adorned with flowering house plants. A white carnation marked the place of each guest, with covers laid for twenty-four.

Lydia Halling, president of the association, acted as toast mistress. Evelyn Alfson fittingly responded to the welcome extended to the incoming class.

After the banquet, a business meeting was held and the following officers elected for the ensuing year: Florence Greenland, president; Elias Halling, vice president; Evelyn Alfson, secretary; Christine Heland, treasurer.
