Alumni of the ~~Durham~~ <sup>Durham</sup> Ford High School held their first annual banquet last Thursday evening in the church parlors. Plates were laid for thirty-five, and those who participated in the event were the members of the three graduating classes, their parents, and the members of the school board, and Miss Shelp. The place cards were hand painted and bore the class colors flowers of each class in colors, the artists being Miss Hel-land and Miss Halling. The tables looked pretty, bedecked with snow white linen, shining silver and sparkling glass, and decorated with vases filled with lovely yellow and red roses, white carnations, class flowers, and bowls of pansies. Each place was also marked by a fern leaf. Miss Irene Pritz, of the class of 1921, extended a welcome to the class of 1922, to which Howard Lewis responded. Ivar Knapp acted as toastmaster.
