

SCHOOL PICNIC

On Saturday, May 26th, a picnic will be held at Red Willow lake for the Binford school pupils and their parents. For self-evident reasons, the principal asks that the pleasures of swimming and boating be dispensed with by those attending the picnic; also that the parents who have children in the grades, send someone along to take care of them, for it will be impossible for the teachers to be responsible for the individual pupil. Amusements are being planned, which, it is hoped, will be participated in and enjoyed by all. Let everyone boost the picnic and go primed for fun.
