

# PUBLIC SCHOOL NOTES

There will be one more meeting of the Vesperian Club before the Christmas holidays, which will be held on Wednesday evening, December 19.

The English 5 class find it a rather difficult task to memorize several selections in the "Lay of the Last Minstrel."

The primary and intermediate grades combined will give a Christmas program in Miss Formoe's room on Thursday afternoon Dec. 20, at 2:00 o'clock. Parents are cordially invited. All who wish to be present, kindly be in the room at 2:00 o'clock as anyone entering after that time are apt to interfere with the progress of the program.

One of the little chaps in the primary room was absent from the forenoon session one day this week. At the opening of the afternoon session the teacher asked him the question: "Why were you

absent this morning?" "I had the flu." was his prompt reply. "That is too bad," said the teacher. "How do you feel now?" "Very well, thank you." responded the little fellow.

A total of fifty-five "Certificates of Award" have been issued to pupils of the Binford schools for the first three months, with the following enumeration in the various departments: Primary—16; Intermediate—17; Grammar—8, and High School—14.
