

PUBLIC SCHOOL NOTES

Gladys Meen, Reporter

In compliance with the law, school was called at the regular time Tuesday morning for the purpose of rendering a patriotic program in commemoration of Washington's birthday. The law says: "Teachers must not hold school on a legal holiday or on Saturday. They must assemble their schools for a portion of the day on Feb. 12, Feb. 22, and May 30 to devote the same to patriotic exercises consistent with the day unless such holidays fall upon Saturday or Sunday."

The Grammar department rendered a very interesting patriotic program in the High School room on Tuesday morning.

The "Twins" treated their little second and third grade friends to a sleigh-ride Monday after school. Each tot enjoyed a sack of popcorn "all his very own."
