

Binford School Notes.

Gladys Moss, Reporter

The vacation spirit is beginning to subside, and pupils are again settling down to real work. State Board examinations will be held February 7.

Should urge their young people to apply themselves sealously to their studies—some need to real badly.

The Camp Fire Girls of the Binford High School is now fully organized. The name of the Camp Fire is Sakakawea. This name was chosen in honor of the Shoshone Indian Bird-woman, who, in 1805, guided the "Lewis & Clark Expedition" from the Missouri river to the Yellowstone. Much of the success of the expedition was due to Sakakawea. The enthusiasm of the girls is boundless and the outlook for the Camp Fire is exceedingly bright. Equipment for the Fire has been ordered, and ceremonial gowns will be ordered within the week. The Camp Fire is in need of funds, and the girls will sell pop-corn at the movies, Saturday evening. This is a worthwhile organization, so please be generous in patronizing the pop-corn sellers.

"Have you never heard of Camp Fire?

What a shame! What a shame!
If you never heard of Camp Fire
You're to blame! You're to blame!

So don't take a nap.

For we're on the map.

R-ready to prove it with S-snap!

A Boy Scout organization under the leadership of Mr Bixby is well under way. We hope to hear more from them soon.
