

PUBLIC SCHOOL NOTES

Elias Halling, Reporter
Blanche Greenland, Assistant

The Literary society of the High School held its regular meeting last Friday. Under the business brought before the society was the question of a new constitution. It was decided that a new constitution be drawn up and presented at our next meeting for the approval of the members. This step was necessary and taken because information has been received regarding the time allowed at our school for presenting programs. It stated that no time during school hours could be taken for presentation of any literary programs.

The original farce by Blanche Greenland and Evelyn Alfson featured Friday's program.

Mrs. Anderson was a visitor Friday afternoon.

Visitors at our school this week were Mr. Greenland, Co. Supt. of Schools Mathilda Johnson and the state health inspector, Mr. Riley.

Final examinations come next week which finishes the first semester.

The school has been classified as a first class graded school.
