A DEFEAT

The Binford Scouts met defeat in a game of base ball against the McHenry Scouts on our home ball park by a close score of 6 to 5.

The defeat was due to tight-fisted Cruden, pitcher for McHenry and good fielding work of the men behind him. McHenry, in the near future, will have a promising base ball team if they keep up their work.

"Bobby" Carrol and Captain Peterson did the twirling for Binford. They both pitched a good game, but due to the rest of their fellow players allowing several errors and not being able to connect the bat and ball squarely, they were unable to lead us to victory. "Shorty" King, Behm, Sharpe, Knapp, King and Haffing did good work in the infield. The out-fielders, Standal, Bakke, Shaw, Alfson, Dahlin and Sharpe covered the outfield in good shape, allowing no errors to Binford's record. Cruden, for McHenry, allowed only six hits, while Peterson and Carrol allowed them seven.

The Binford Scouts, with more practice in fielding, and recovering their batting eye, hope to capture the other scheduled games of this season. They are going to remember their motto, "Be Prepared."

The game was one of the cleanest games of base ball played, and we feel we lost to the team playing the best game. We greatly appreciate those who were present at the game.

The Scouts have a game scheduled at Sutton, Saturday afternoon, and they will greatly appreciate it, if cars will be donated for this trip.—By Peasoup.
