A REAL COME-BACK

The Boy Scout base ball team journeyed to Sutton last Saturday and obtained an easy victory from the Sutton aggregation by a score of 15 to 5.

"Bobby" Carrol started the heavy work for Binford, making the Sutton batters swing at open air, striking out nine men in four innings. He was relieved by Captain Peterson, who also puzzled the Sutton batters.

"Monte" Knapp did the receiving work behind the plate, and his ability as a backstop is recognized. Monte's batting eye was also in real shape Saturday, getting three hits out of five times to bat, two of which were singles and one a double.

The keystone sack position vacated by Monte was filled by Ervin

Sharpe, who will also make a fine infielder.

Bergstad and Kjelson were the battery for Sutton. Bergstad on the mound did fine work, but due to his wild pitching, gave Binford six walks that lost them the game. Binford could only obtain six hits off Bergstad, while Sutton received seven hits from Carrol and Peterson.

The Boy Scout troop greatly appreciate and wishes to thank Oscar Greenland, Albert ~~Al~~son and Harwell West for the use of their cars.

The return game from Sutton will be played on the Binford ball park Saturday afternoon at 2:30 sharp. Admission 15c and 25c.

The Sutton team has made up their mind to beat us, so come out and see a real game. We are going strong and are out to win Saturday. Your money's worth guaranteed.—By Peasoup.
