

PUBLIC SCHOOL NOTES

Editor-in-Chief—Cecelia Jacobs

Reporters—Herman Asmus, Lydia King, Mabel Hanstad

The General Science class has begun to review for State Board examinations.

Thursday the high school boys went to McHenry to play ball. The game resulted in the rather even score of 10 to 11, in favor of McHenry.

The ball game which Hannaford played with Binford Saturday here, resulted in a victory for Hannaford, the score being 6 to 0. Only five innings were played as rain prevented the finishing of the game.

The last meeting of the Vesperian club for this school was held last Wednesday evening, May 14th.

This week the boys' and girls' Physical Education classes are practicing for the athletic events to be held in Cooperstown on Play Day.

The pupils in the Agriculture class are busy writing up experiments. The names of some recent experiments are, Landscaping the Home; How to compute a balanced ration; and computing a standard ration for a beef animal.

The fifth grade language class has been busy writing original stories. The story which was voted the best by the class was "Micky," a dog hero story written by Bernice Greenland.

Heinsen was a visitor in the intermediate room last Thursday.

The intermediate room grades are busy reviewing their different subjects this week.

Mabel Hanstad and Margit Hegvik visited the primary room last Thursday afternoon.

To the Parents, and Friends of Binford:

LAY DAY—SATURDAY May 24.
The day will soon be here. We have high hopes of carrying off the honors on that day, which consist of medals for high school students and badges for the grade pupils, as individual honors—but the biggest honor, the school pennant, is what we are striving for. Contestants

have been entered for the various events. No changes can be made now, so let us carry out the plans as they have been made. No matter what Play Day has been before, an attempt has been made this year to equalize the chances of the various schools of the county, the larger schools having been restricted in number of entries for each contestant, thus giving the contestants from the smaller schools an opportunity to enter more than one event should he be capable of doing so.

No one need fear now that he or she will contract any contagious disease. The danger of the further spread of Scarlet Fever is past—besides, the athletic events are carried on out doors in the open air, so there is little danger.

I earnestly beg for your co-operation and support on Play Day.
Respectfully,
Edwin Hauge.

BUY A POPPY MAY 24th

The memory of the heroic dead and the maimed and disabled of the World War, will be marked by "Poppy Day" Saturday May 24th.

Replicas of the flowers which cover the fields of Flanders where the blood of many American soldiers was shed, will be sold by the local Legion post and Auxiliary, for the relief of sick and needy veterans, and for the decoration of the graves of the heroic dead who lie on foreign shores. None of this money is used for local purposes.

When you remember that the Poppy is the emblem of faith to those who died in Flanders field, you will want to keep faith with them by wearing a Poppy on Memorial Day. The Poppies will be sold on Saturday, May 24th Buy one.

Political Announcement

To the Voters of Griggs County:
I am a candidate for nomination for the office of State's Attorney of Griggs County, and respectfully solicit your support and vote at the June Primary Election.

John Sad.
