

PUBLIC SCHOOL NOTES

Gladys Meen, Reporter

The Scouts captured another victory from the Sutton bunch last Saturday, in a hot-fought battle by a score of nine to ten.

"Bobby" Carroll started the work on the mound, but due his arm not being in shape, and a few errors by the rest of the players, Sutton scored seven runs. Captain Peterson took up the work in the fourth inning, and his curves were breaking in fine style with lots of smoke behind them.

Art Standal's catch in the ninth inning with two on bases and only a one-run lead, saved the Binford scouts from possible defeat.

Anderson, Bergstad and Kjelson were the battery for Sutton. Our boys landed for seven safe blows off Anderson and Bergstad, and Sutton hit Carroll and Peterson for the same number.

Scoutmaster Bixby is trying to obtain a few games during the Scouts encampment at the lake. If he succeeds we hope a few more victories can be added to our record.
