

# PUBLIC SCHOOL NOTES

Editor-in-Chief—Cecelia Jacobs

Reporters—Herma Asmus, Lydia King, Mabel Hanstad

"Where there's a will there's a way" was the saying Mr. Hauge credited to the Binford high school for winning the banner on Play Day at Coerstown last Saturday. We have proven that the Binford high school has some very good athletes, especially among the girls.

Last Wednesday afternoon Pearl Peterson and Florence Greenland visited the high school.

This week the boys' and girls' Physical Education classes are not having any exercises, because the examinations take up all the time.

The State Board examinations in English 2 and English 6 were given last Friday. Yesterday the last examinations were given, which were in Agriculture and General Science.

The pupils in high school are practising songs for commencement exercises to be held on Monday, June 2nd.

The primary grades had a picnic yesterday afternoon to celebrate the closing of school. Races and ball games were a part of the day's program.

The intermediate room celebrated the last day of school by having a weiner and marshmallow roast on Wednesday afternoon.

The intermediate grades took the final tests yesterday morning. They took both oral and written examinations.

The eighth grade pupils are busy writing completion examinations which began Tuesday morning.
