After a long and tedious wait, the Juniors have at last received their class rings.

A Thanksgiving recess of two days will be given the pupils on Thursday and Friday.

The Literary society enjoyed some very amusing original dramatics at their last program.

The Camp Fire Girls are busily sewing garments for the Home for Fatherless Children at Fargo.

Mrs. West has invited the school faculty to a six o'clock Thanksgiving dinner, Thursday.

Miss Minnie Foster, librarian at the State Agricultural college, Fargo, will be the guest of Miss Margere: Shelp during the Thanksgiving recess. Miss Foster and Miss Shelp were high school classmates.
